Hi Shelly,

We are in receipt of the EPA comment letter regarding the QMP review. We will review the letter in detail and will likely have some overall questions for you during our scheduled call on Thursday 9/12/13 at 10:00. Is there a strict deadline when the revised QMP is due to the EPA? We reviewed the Order and didn't see a deadline for QMP revisions. Thanks.

Subject: Kokomo Dump Site (C564) - EPA Comments on Quality Management Plan

Brad,

Attached are EPA's comments on SESCO's Quality Management Plan. If you would like to have a call to discuss any of the comments or have any questions, please let me know so that I can coordinate with our quality review staff.

Thank you,

Shelly Lam, LPG
